6 (d) For the purpose of this section, "vessel" is defined in section  
7 67-7003(22), Idaho Code. All vessels are subject to the provisions of  
8 this section, with the exception of small rafts and other inflatable  
9 vessels less than ten (10) feet in length.

10 (4) If the protection against invasive species sticker is lost, stolen  
11 or destroyed, any sticker remnants shall be returned to the department along  
12 with a three dollar (\$3.00) fee for a duplicate sticker.

13 (5) A person engaged in the manufacture or sale of vessels may obtain  
14 a sticker to be used in the testing or demonstration only of vessels by tem-  
15 porary placement of the protection against invasive species sticker on the  
16 vessel tested or demonstrated.

17 SECTION 18. That Section 67-7010, Idaho Code, be, and the same is hereby  
18 amended to read as follows:

19 67-7010. UNNUMBERED VESSELS. (1) It shall be unlawful for an owner of  
20 a vessel to have such vessel on the waters of the state of Idaho, or for any  
21 person to operate or permit the operation of any vessel on the waters of the  
22 state of Idaho unless it shall have a current certificate of ~~registration~~  
23 number and display a ~~registration~~ vessel number and current validation  
24 stickers as provided by law.

25 SECTION 19. That Section 67-7013, Idaho Code, be, and the same is hereby  
26 amended to read as follows:

27 67-7013. REMITTANCE OF FEES. (1) There is established in the state  
28 treasury an account known as the "State Vessel Account," to which shall be  
29 credited:

30 (a) Moneys or fees collected by assessors and authorized vendors, under  
31 the provisions of this section and section 67-7008, Idaho Code; and

32 (b) All other moneys as may be provided by law.

33 (2) All fees collected by an assessor or authorized vendor under the  
34 provisions of section 67-7008, Idaho Code, shall be forwarded to the state  
35 treasurer not later than the fifteenth day of the month following the cal-  
36 endar month in which the fees were collected, and the state treasurer shall  
37 then pay the moneys collected into the state vessel account and the park and  
38 recreation account, as provided in subsection (3) of this section, unless  
39 otherwise provided by law.

40 (3) Moneys collected shall be deposited eighty-five percent (85%) to  
41 the state vessel account, and fifteen percent (15%) to the park and recre-  
42 ation account established in section 67-4225, Idaho Code. The department  
43 shall remit the moneys apportioned to county units of government from the  
44 state vessel account not later than January 25, April 25, July 25 and Octo-  
45 ber 25 of each year.

1 (4) All moneys deposited to the park and recreation account are to be  
2 appropriated for the purpose of defraying the expenses, debts and costs in-  
3 curred in carrying out the powers and duties of the department as provided in  
4 this chapter, and for defraying administrative expenses of the department,  
5 including salaries and wages of employees of the department, expenses for  
6 traveling, supplies, equipment and other necessary expenses of the depart-  
7 ment as they relate to administration of this chapter. All claims against  
8 moneys apportioned to the park and recreation account shall be expended  
9 by the department and certified to the state controller, who shall, upon  
10 approval of the board of examiners, draw his warrant against the park and  
11 recreation account for all bills and claims allowed by the board. Should  
12 the related administrative costs of the department amount to less than the  
13 moneys apportioned to the park and recreation account for such purposes,  
14 the difference shall be remitted to the state vessel account and then appor-  
15 tioned to all counties with a boating improvement program so that the amount  
16 apportioned to each eligible county will be in the same ratio as the county's  
17 amount of funds received from the state vessel account during the prior fis-  
18 cal year by a county bears to the total amounts received during that prior  
19 fiscal year by all eligible counties.

20 (5) All moneys deposited to the state vessel account and appropriated  
21 to the department, shall be apportioned among the counties of the state based  
22 on the designations which the owners make on their application for a certifi-  
23 cate of registration number.

24 (a) An owner, when purchasing a certificate of registration number,  
25 will be allowed to designate, on the appropriate form, a primary and  
26 secondary eligible county where his boating activity occurs. The por-  
27 tion of his fees which are appropriated from the state vessel account  
28 shall be apportioned to the designated counties, with seventy percent  
29 (70%) of those fees apportioned to the primary designated county and  
30 thirty percent (30%) apportioned to the secondary designated county.

31 (b) Should an owner designate on the appropriate form only one (1) eli-  
32 gible county where his boating activity occurs, the full portion of his  
33 fees which are appropriated from the state vessel account shall be ap-  
34 portioned to the designated county.

35 (c) Should an owner fail to designate on the appropriate form any eli-  
36 gible county where his boating activity occurs, the full portion of his  
37 fees which are appropriated from the state vessel account shall be ap-  
38 portioned to all counties with a boating improvement program so that the  
39 amount apportioned to each eligible county will be in the same ratio as  
40 the county's amount of funds received from the state vessel account dur-  
41 ing the prior three (3) month payment period bears to the total amounts  
42 received during that prior three (3) month payment period by all eligi-  
43 ble counties.

44 (6) Only those counties in the state with a boating improvement pro-  
45 gram, as recognized by the department, shall be eligible to receive moneys  
46 from the state vessel account. A "boating improvement program" means that  
47 one or more recognized boating facilities are being developed and/or main-  
48 tained within the county's jurisdiction and/or that the county has or is ac-  
49 tively developing a recognized boating law enforcement program.

(7) Moneys apportioned to the eligible counties shall be placed in and credited to an account which shall be known and designated as the county vessel fund, which shall be used and expended by the board of county commissioners for the protection and promotion of safety, waterways improvement, creation and improvement of parking areas for boating purposes, making and improving boat ramps and moorings, marking of waterways, search and rescue, and all things incident to such purposes including the purchase of real and personal property. The board of county commissioners is also authorized to use and expend funds from the county vessel fund outside the county when the board deems it advisable and for the public good.

(8) Within sixty (60) calendar days of the end of each county fiscal year, the county clerk shall calculate the ending fund balance of the county vessel fund for that fiscal year. If the ending fund balance is higher than the amount of revenues deposited in the county vessel fund from the state vessel account during that fiscal year, then the difference shall be remitted to the state vessel account within thirty (30) calendar days of that calculation. Moneys remitted to the state vessel account, in accordance with the provisions of this section, shall be apportioned to all counties with a boating improvement program so that the amount apportioned to each eligible county will be in the same ratio as the county's amount of funds received from the state vessel account during the prior county fiscal year bears to the total amounts received during that prior county fiscal year by all eligible counties. The provisions of this subsection shall not apply to specific sums of money in county vessel accounts, for which the county commissioners have given written notice, to the department of parks and recreation of an intention to retain those funds for a specific purpose. The notice shall specify the amount of the funds to be held, indicate the purpose for which the funds shall be utilized and provide the date when the funds will be expended. If an amended notice is not submitted by the county commissioners, moneys not expended or contractually committed by the date stated in the original notice of the board of county commissioners shall revert to the state vessel account for distribution as provided in this subsection. All interest earned on moneys invested from a county vessel fund shall return to the county vessel fund.

SECTION 20. That Section 67-7014, Idaho Code, be, and the same is hereby amended to read as follows:

67-7014. ADMINISTRATIVE FEES FOR VESSELS. (1) An administrative fee of not more than one dollar and fifty cents (\$1.50) may be collected in addition to each vessel license tax collected under the provisions of section 67-7008, Idaho Code.

(2) When an assessor collects the fees, the administrative fee shall be paid to the county treasurer where the vessel is licensed and be placed in the county current expense fund for the purpose of defraying related administrative costs. The amount of the administrative fee to be collected by an assessor for each vessel shall be set by the respective boards of county commissioners conditioned on the annual budget request of their county assessor for the administration of vessel registration fees.

(3) When an authorized vendor collects the fees, the administrative fee shall be set and retained by the authorized vendor where the vessel is registered numbered. The administrative fee shall be used to defray related administrative costs.

SECTION 21. That Section 67-7029, Idaho Code, be, and the same is hereby amended to read as follows:

67-7029. AGENTS OF THE DEPARTMENT. (1) The assessors of various counties of the state shall be agents of the department and shall perform such duties as are prescribed by law.

(2) The department may authorize any person to act as agent for the issuance of certificates of registration number. In the event a person accepts such authorization, he shall be assigned a block of vessel numbers, validation stickers and certificates of number, which upon issuance in conformity with law and with any rules of the department shall be valid as if issued directly by an assessor.

SECTION 22. That Section 67-7040, Idaho Code, be, and the same is hereby amended to read as follows:

67-7040. APPLICATION TO CERTAIN VESSELS. (1) The provisions of the vessel titling act shall apply to every 2000 and newer model year vessel upon transfer of ownership, and optionally to all other vessels of a model year prior to 2000, effective on and after January 1, 2000, even though vessels need not be registered under the provisions of chapter 4, title 49, Idaho Code. Vessels shall be issued a certificate of registration number as provided in section 67-7008, Idaho Code.

(2) The provisions of the vessel titling act shall apply exclusively to vessels with a permanently attached mode of propulsion, such as: an inboard motor, sail, personal watercraft, or other propelling machinery, and all vessels over twelve (12) feet regardless of mode of propulsion, except: rowboats, driftboats, canoes, kayaks, inflatable vessels, rafts, barges, non-motorized paddle vessels, sailboards, tenders, seaplanes, documented vessels, and vessels owned by the United States or a foreign state or political subdivision.

(3) Once titled, the vessel remains a titled vessel, and is subject to the requirements of chapter 5, title 49, Idaho Code."
